

COUNCIL ON HIGHER EDUCATION

*In loving memory of*

**Prof. Rita Maré**

**The CHE is sad to announce the passing of Emeritus Professor Rita Maré at the age of 72 years.**

**She will be remembered for her work at the office of the Attorney General and for her exemplary service to UNISA for 31 years during which time she served as Dean of Law and where she retired as the Vice Principal Academic: Teaching and Learning in 2015.**

**Prof Maré has made a major contribution to the work of the CHE and the higher education sector over the years. As a member of the Deputy Vice-Chancellors' Forum, she helped guide the Quality Enhancement Project for the higher education sector. More recently, she was a valuable member of the Institutional Audits Committee where her astute insights and contributions helped shape and strengthen the effectiveness of the quality assurance processes of higher education institutions through the work of the Committee. The Committee relied heavily on her wisdom and intellectual leadership. The integrity and grace with which she approached her work and engaged with colleagues will be dearly missed. It was an honour for the CHE to have worked with her.**

**She leaves behind a husband, daughter, son and daughter-in-law and 2 granddaughters.**

**Her funeral service was held on the 14th August and can be watched on**
